Due to the Arts culture of Venice, we want to be sure to include any local talent or Venice HS bands if they would like to perform. Arianne have you determined which deputy will be my point of contact?

Much Appreciated,

Ahhhh, yes it was Liberty Hill in the past, but we need to run it by them prior to -- AG, let's connect on our end for this.

Hi Arianne,

I did not hear back on CD 11 requests for Earth Day, we need to secure your fiscal agent, I believe it was Liberty something?

Also high schools or local talent that we can use, any local artists?

Thanks,

Hi Renee,

Morgan's last day with our office will be this Friday, January 10th. I will be sitting down and going through her work portfolio before her departure, and will work to reassign this event to another deputy. I will try to get your questions answered as soon as possible.

Thanks.

Hi Morgan,

I am following up on the Earth Day questions for CD 11

1) Who was the local fiscal agent, I think it was Liberty something? How do we enlist them?

2) Do you have any of the schools on board? The bands, drill-teams, choirs?

3) Have you given thought to the community leave behind that we can do?

4) Do you have any local talent or entertainment that we can reach out to?

5) Do you think we need extra parking around Penmar park? We usually get upwards of 3500 guests.

Much Appreciated,

Renée

Hi Arianne,

I am contacting you to request some information from your office for next year's **LASAN Earth Day event scheduled for April 25th, 2020 @ Penmar park in Venice.**

We always try to partner with the community in which event is being held and this year it is in CD 11. I wanted to know if you have any fiscal agents, community partners or groups that we can work with to make this a great event? We are looking for talent or entertainment as well, so if you have any high school bands, groups etc.. The last couple of years we have worked with Michelle Trujillo from Telemundo as our emcee but if you have someone in the news media in mind please let me know.

Instead of using Mid-Valley and Pacoima Beautiful, I'd rather use groups your office already works with if at all possible. We will more than likely use LACC as one of the fiscal agents as well.

This event will have a Kids Zone with their very own stage and program and we will leave something behind for the community that represents LASAN and Earth Day. We are in the early stages but I want to be sure CD 11 is aware of the event. Thanks,

Much Appreciated,

Renée
